Unit #2 was westbound on SR 92 traveling between the 113th AVE round about and the Callow Rd Round about. Unit #1 was also westbound SR 92 right behind Unit #2. Due to construction on the two roundabouts, flaggers were on scene and stopping traffic. Unit #2 stopped for the stopped traffic. Unit #1 said Unit #2 stopped suddenly in traffic and was unable to stop in time to prevent the collision. Unit #1 rear ended Unit #2. I was driving down highway 92 west to Lake Stevens when I was stopped by construction when a female driver had hit me from behind. There was a big thump and I jerked forward. I called my mom and told her I had just been hit and she told me to pull over and to wait for her. My stepdad called and told me to call the police so I did. I waited until police arrived, I provided all my registration, insurance and license information and after the hit I was in shock. I experience neck pain and headache along with being scared from when it first happened.
